Welcome to Term 4
Be prepared for a busy, challenging and adventure filled term for our school community. Please check the calendar for times and dates of major activities and as always, check with the school office if unsure.

Assembly awards – to be trialled this term
In the Tuesday newsletter preceding the Friday assembly the names of students receiving class and PBS Silverbream and Kingfish awards at the assembly will be published.
The previously sent slip of paper indicating your child will be receiving an award was often received at late notice or not received at all. For this term we will not send this slip as families will already have been informed of an impending award in the Tuesday Newsletter. We are hoping this will be a more reliable means of communicating with families, enabling them to attend the Friday assembly to join in the acknowledgement of their student's achievement. This will be a trial for the term, we welcome and will seek your feedback later in the term. Notes will be sent home in the usual manner to the family of students receiving an award at the Final Assembly.

Gifted and Talented
In today’s Newsletter there is information on the program offered by the University Of Wollongong. Several of our students attended these Labs this year. If you are interested, please contact the school office for further information or you can apply online. If applying online please discuss with Mrs Jenkinson or myself, Ms Coyle as the school will provide a supporting letter for students who meet the suggested criteria.

2B & 2/3N Item
Congratulations to 2B & 2/3N Miss Bower & Mr Neich for a fantastic Focus on Reading Rap that was presented at the school assembly last term.
Congratulations to:-
Sarah Peck – High Distinction
Torah Solari & Cody Peck - Distinction
Lachlan Hollier, Emily MacDonell, Lilli Boyton & Charlotte Walker - Credit
James Horvat, Jasmine Greenwood, Emily Horvat – Participation

Well Done Sarah!

GIFTED & TALENTED SCHOOL HOLIDAY PROGRAM CONNECT: LITTLE LEARNING LABS & EARLY LEARNING

The LEARNING LABS program for high achieving students is now targeting students from Year 1 to Year 6.

The primary program is split into two streams:
LITTLE LEARNING LABS for students in Year 1 and Year 2 - 12th and 13th January, 2015 $110
EARLY LEARNING LABS for students in Year 3 to Year 6 -15th and 16th January, 2015 $135

There will be a number of sponsorship places available. Please see the website. This year the application process will be online. All workshop descriptions, how to apply and the online application form can be found at:
http://www.uow.edu.au/in2uni/learninglabs/
