Mrs Jenkinson is taking a period of leave and will return to school in Week Two next term. I wish Mrs Jenkinson a well-earned, happy and relaxing holiday.

Torah Solari, Lachlan Hollier, Marissa Watson and Cody Peck are our school representatives in the regional finals of the Premier’s Spelling Bee this Thursday at Bowral Public School. I know these students will perform at a very high standard and I wish them well and thank their families for their support.

Last night the school P & C Association met. Amongst discussion:- school uniforms, fundraising and ways in which the P & C can support the school and be involved in school activities.

I thank P & C members and all members of the school community who give their time and efforts so freely with the aim of providing extra resources and opportunities for all our students.

This is our last week of school for Term 3. I would like to thank all staff and students at SIPS for their hard work and team work over this term. It is a privilege to work with such a dedicated and positive school team. I wish all students, staff and families a happy and safe holiday.

At Friday’s assembly 2B & 2/3N will be performing their “Focus on Reading” rap song. ICAS English & Senior Spelling Bee certificates will also be presented at this assembly.

Our school has developed a Phone App. The App will be free and available for iPhone, Android and HTML5. The SIPS mobile App will allow pop-up messages and instant alerts to remind parents of upcoming events or changes. It will also include sick notes, allow access to the school newsletter, have a calendar of school events and use Google Maps to pinpoint all venues used by school for carnivals. The clear and timely sharing of information between our school and families is vital for efficient and cohesive education.

The App is presently being registered with Apple and will be ready to go live early next term. I am very excited to think that this initiative will improve school to parent communication benefiting all in the school community.

Today our Year 6 students attending Vincentia High School in 2015, travelled to Vincentia to attend the Year 7 Testing Day. 
Karen Coyle

Kyle Lasker was all smiles when he received Clifford for his wonderful work in 2B.

Stay tuned the Sussex Inlet School App to go live in Term 4!

Netball Round Robin
Last Friday we had three fantastic games of netball. Some of the girls had not played much netball but by the end of the day they turned out to be fantastic players. We swapped positions over our three games which helped us learn more about the game and each position. Mrs Ingram was nice enough to give up her time to help the girls learn more about netball….thanks Mrs Ingram!! We were lucky the sun was out to play and there were only a few puddles out on the court. We had a great day and it was so much fun that some of the girls have decided to play on Saturdays. We are even thinking of having our own netball team at school and play at lunchtimes!
Lilli Stiff-Marr and Claudia Bettington 4/5C

2B and 2/3N Make Smiles At Inasmuch
As part of our music unit for term 3, 2B and 2/3N visited Inasmuch Retirement Village to perform 3 songs for the residents. We would like to thank Linda Brown, the staff and the residents of Inasmuch for making us feel so welcome and looking after us on the day. The children really enjoyed the opportunity to showcase what they had been learning and give back to the community. We commend the students on their behaviour and commitment in preparing and performing. They represented SIPS with great pride in the community.
Miss Bower and Mr Neich

Staff Car Park
The carpark is for staff only. Parents are requested not to drive into the carpark, reverse out or block the entrance to drop their children off.
