Stage 3 Return from Berry
After a fabulous fun filled 3 days at Berry Sport and Recreation Centre our Stage 3 students returned a little wearier, but very proud of their efforts and achievements. A huge thank you to parents who allowed the students to attend and a very special thank you to Ms Ryder, Mr Douglass and Mrs Croan who gave up their own family time to accompany our students. The organisation, communication and consultation goes on for many months prior to our students attending, thank you Ms Ryder for all your hard work.

On Monday 1st September, Stage 3 went to Berry Sport and Recreation Camp for 3 awesome days. We did a number of fantastic activities like archery, canoeing, rock climbing, the Giant swing along with heaps of social games. My favourite activity was archery, and Mrs Ryder got a bullseye with the golden arrow on the furthest target which was awesome. Most of us were able to stay dry in the canoes which were a whole heap of fun. The 14km walk was exhausting but the views were stunning and well worth the effort. It was great spending so much time with our friends and having to socialise with them outside of school and to have so much fun with our teachers. So on behalf of stage 3 we would like to thank the school for making this possible, the teachers for giving us such a great time and opportunity and to our parents for letting us go. We will always remember our time at camp and all the many memories we made.

Brodie Critcher and Nicayla Gill

Bundanon
On Tuesday, 2nd September, Years 3 & 4 went on an excursion to Bundanon. When we got there we had to be split up into two groups. One group went with Ms Coyle to do the art workshop. The other group went with Mr Neich to do the dance workshop. I was in Mr Neich’s group. We went to the dance studio and did some warm-ups, some body shape games, spotting points on the wall and choosing spots in the room, we had to remember three spots we had chosen. We also did some partner exercises. We had to run into the middle, high five, turn away from each other and run back to our side then we had to do the same thing but run around one another, and then back to our spots. The third exercise was a little bit harder, with your partner you had to cross their arms and the other had to grab their hands. Then you had to lean backwards and try to sit down without tumbling down. Our two dance teachers names were Brooke and David. Then it was time for recess.

At the art workshop we did some collages. There were six stages. The first stage we had to choose between two pieces of coloured paper then draw a tree with no leaves and cut it out. The second stage we had to fold the other coloured piece of paper and draw another tree, and of course cut it out. The third stage was to glue all the paper down. The fourth stage was to get a piece of black paper, fold it and cut shapes out on the fold then glue them on. The last stage was to draw and outline things with black permanent marker. After we did that we had lunch and I played tips with my new friend, Ava.

After lunch we were all taken to the dance studio to watch a performance from the ballet teachers. I was chosen to try on a head piece from one of the costumes. The ballet was really good and I also met a new friend, Ava.

Milton-Ulladulla Bush Poetry Competition
Congratulations to Sarah and Cody Peck who competed in the Australian Bush Poetry competition at Milton last Saturday. Sarah was awarded First Prize in the Written Section (under 13 years) for her poem “Unicorns” and Cody received second prize in the Written Section (under 13 years) for his poem “My Dog Winter”. In the under 13’s Performed Section Sarah was awarded second prize and Cody was awarded fourth prize. A great achievement for both students – well done.

On Saturday 6th September I went to St Marys Star of the Sea Catholic School in Milton to represent our school in the Milton-Ulladulla Bush Poetry Competition. It was for students under 13 years I came 2nd in the written original poem competition with my poem “My Dog Winter”. I came 4th in the performance section reciting the poem “Bedtime” by Janine Haig. I had a great time and can’t wait to do it again.

Cody Peck

On Saturday 6th September, I went to the Milton-Ulladulla Bush Poetry Recital. I recited "The Christmas Wish" by Kym Eitel. There were 22 contestants, but only 20 turned up. I was number six to perform. There were 3 trophies to hand out, one of them was called The Showmanship Award, another was called the Jim Graham Perpetual Trophy, and if you won the Jim Graham Trophy it would go to your school for a year, and you would get a smaller trophy. I came 2nd in the performance category. I also came 1st in the original written poetry category. My written poem was called “Unicorns”.

I loved it and I hope I can do it again next year.
