Premier’s Debating Challenge
Today saw students from Sussex Inlet Public school, Milton Public School, Vincentia Public School and Callala Public School come together to compete in the Premier’s Debating Challenge at our school. Our team members – Emily Macdonell, Sarah Peck, Gabbi Walker and Cody Peck competed against Vincentia Green arguing in the affirmative that “Self defence should be taught in primary schools”. Unfortunately they lost. Their second debate was against Vincentia Yellow.
Many thanks to the adjudicators – Pam Barlings and Katherine Griggs for their valuable support and advice and to Lachlan Hollier, Jasmine Greenwood, Kioni Corton and Bailey Sassall who assisted with timekeeping and announcing.
Our team will travel to Milton Public School for the final round next Wednesday 17th June.

Attendance Matters
Did you know that if a student misses as little as 8 days in a term, by the end of primary school they will have missed over a year of education?

NCCD – Supporting Our Students
Last year Sussex Inlet Public School participated in the National Consistent Collection of Data process. This year we will again be collecting information on adjustments made to ensure all students have equitable access to the curriculum. The information is strictly confidential with no individual student or school able to be identified. Better data will help the Government plan for students with a disability. The data collection will have no impact on the child and they will not be involved in any testing process. Parents of identified students will receive more details in the coming weeks.
