PCYC

Southern Stars 2015
There have been 40 tickets requested and we are looking at having enough interest to go ahead. Anticipated cost will be about $40 per student. First offers will be made to primary students as it is a very long day but a really fantastic opportunity to see the talents and skills of our public school students.

Year 7 2016 – Vincentia High School
This term there will be 2 transition activities for students attending Vincentia High School Year 7 in 2016. On Wednesday 19th August, there will be an information evening for parents and students requiring extra assistance. Year 7 Advisors Mr Tom Mason and Miss Jessie Norman will be visiting our school with some of our previous SIPS students in early September.

AECG Meeting
The next meeting of the Bay and Basin AECG will take place at Vincentia Public School on Wednesday 5th August, commencing at 4.00pm. All parents of our aboriginal students are very welcome.

Kindergarten 2016
If you know anyone who has a Kindergarten age child and is looking to commence in 2016 please ask them to contact the school.

Our school Kindergarten Orientation program will commence later in Term 3, with special consideration for an extended timeframe. Given that there has been no access to a pre-school for our potential enrolments during 2015, we are hoping to incorporate a “Starting School” program onsite. There will be more information provided as details are confirmed.

SIPS Jeans for Genes Day 2015
This Friday 7th August will be Jeans for Genes Day. If you would like to help the SRC raise money for The Children’s Medical Research Institute all you have to do is wear some denim to school on Friday and bring a gold coin donation for this great cause. If you do not have any spare change handy, or would like to help us raise even more money donations can be made online using the following link.

Thank you to Mrs Murphy and K/1M for their participation in National Tree Day on Friday 24th July. You may have noticed some beautiful new native plants in the garden beds outside the infants classrooms. We hope to establish a relaxing and appealing area for students and parents to enjoy.

Circus Workshop
On Friday 30th July, we went to a circus workshop at Huskisson Public School. There were a few other schools there too, including Sanctuary Point and Vincentia. We learnt how to juggle and almost learnt to go on a unicycle. We went on a Segway as well. We tried to use the ‘Diablo’, tried plate-spinning and Poi balls. It was really awesome!
