KEEP ON
A. Rolfe, R. Lim, H. Winter, A. Slattery, K. Noonan, J. Foreman

Oh oh oh, oh oh oh, oh oh oh.

V1
I could be a rock star, soaring super high, aiming for the sky
I could be a doctor, I could fly a plane
I've got a million dreams inside my brain
I could be a farmer, I could do ballet,
I could paint the colours of every day

Pre-chorus
It starts right now, it starts right
Here's a chance to show the world

Chorus
Whatever you wanna be, you can be
Whatever you wanna see, you can see
You can be anything you want to be,
So keep on, keep on, keep on
Oh oh oh, oh oh oh, oh oh oh.
Keep on, keep on
Oh oh oh, oh oh oh, oh oh oh.

V2
I can see a future, a story that is mine
I'm writing every line
So when we come together, standing side by side
Pieces of the puzzle in this crazy thing called life

Pre-chorus
It starts right now, it starts right
Here's a chance to change the world

Chorus
Whatever you wanna be, you can be
Whatever you wanna see, you can see
You can be anything you want to be,
So keep on, keep on, keep on
Oh oh oh, oh oh oh, oh oh oh.
Keep on, keep on
Oh oh oh, oh oh oh, oh oh oh.

Bridge
Build a bridge, fly a plane
Make somebody smile again
Play guitar, be a star
Doesn't matter who you are
Build a bridge, fly a plane
Make somebody smile again
Play guitar, be a star
Doesn't matter who you are

Chorus
Whatever you wanna be, you can be
Whatever you wanna see, you can see
You can be anything you want to be,
So keep on, keep on, keep on
Oh oh oh, oh oh oh, oh oh oh.
Keep on, keep on
Oh oh oh, oh oh oh, oh oh oh.

Whatever you wanna be, you can be
Whatever you wanna see, you can see
We can be anything we want to be,
So keep on, keep on, keep on
Oh oh oh, oh oh oh, oh oh oh.
Keep on, keep on
Oh oh oh, oh oh oh, oh oh oh.
