ARRANGEMENTS FOR THE 2015-2016 BUSH FIRE SEASON

Tuesday, October 20, 2015

Dear Parent or Carer,

I am writing to let you know about arrangements for our school for the upcoming bush fire season.

Our school has been identified as a school at increased risk if a fire were to break out on a day when a Catastrophic Fire Danger rating is issued for our area.

To ensure the health, safety and welfare of students and staff, the Department of Education has determined that on days when a Catastrophic Fire Danger Rating is issued for our area, the school will temporarily cease operations for the day(s) the rating is current and alternative learning arrangements will be put in place. This is based on information obtained through a bush fire assessment of our school arranged by the Department.

A Catastrophic Fire Danger Rating is likely to occur on a very small number of days during the bush fire season, if at all. To ensure that we continue to support student learning on these days, I have put the following arrangements in place:

Sussex Inlet Public School will be closed on days a catastrophic fire danger rating is in place. Where possible, students will be provided with school work to support student learning needs.

The school will only receive notification of a Catastrophic Fire Danger Rating after school hours the day before the forecast is issued. To assist me in contacting all parents please ensure that you have provided the school with up-to-date home or after hours contact details.

Information for parents and carers provided by the Department about these arrangements is attached. Up to date bush fire information will also be available to you on the Department’s bush fire safety website. The link for this site is as follows: http://www.dec.nsw.gov.au/about-us/news-at-det/bushfire-safety

Please contact the school on Telephone 4441 2053 if you would like any further information about this matter.

Yours sincerely

Lorraine Jenkinson
Principal
