NCCD
Last year Sussex Inlet Public School participated in the National Consistent Collection of Data process. This year we will again be collecting information on adjustments made to ensure all students have equitable access to the curriculum. The information is strictly confidential with no individual student or school able to be identified. Better data will help the Government plan for students with a disability. The data collection will have no impact on the child and they will not be involved in any testing process. Parents of identified students will receive more detail in the coming weeks.

Professional Learning
Mr Douglass and Ms Ryder are currently participating in a Beginning Teachers’ Conference called “Starting Strong”. We look forward to hearing from their experiences. Mrs Jenkinson and Mrs Williams attended a Financial Literacy course yesterday in anticipation of the new administration system being trialled across 229 DEC schools in NSW.

KidsMatter
Our school Action team has now been formed and will be attending the first training session next Wednesday 11th June at St Georges Basin.

See Change - SYNERGY Art Competition

**Cross Country**

On 30th May seven Sussex Inlet students went to Willandra for regional cross country. Everyone tried their hardest and did their best. Unfortunately no one made it to state, however congratulations must go to our amazing runners - Bronson Saward, Nicola Boyle, Hollie Miles, Ethan Keywood, Sean Donald, Shea Petersen-Flynn & Riley Walton.

The track has lots of hills and it is really tough, but we have a great team of fast and competitive runners that are very fit and trained hard. We challenged several schools from along the south coast but even though some of us were injured, we were all able to finish the race and came home with BIG smiles.
